

EVENING PUBLIC PARKING NEAR THE PETROLEUM CLUB

PLEASE NOTE: This information was compiled by Club staff during summer '07. Things can change! Rates can go up, times might be different, access altered. You are strongly encouraged to “check things out” for yourself. The following is for information purposes only, and does not constitute an official recommendation by the Club. The Club has no control over the operations, security, times, rates, etc. of these lots, and will not be held responsible should a negative situation occur.

Here are three choices:

1. There is a surface lot on 6th Avenue S.W., between 2nd and 3rd Streets. This is right behind the Club, and if you park there you can look at our beautiful mural. After 6:00 p.m. it is a flat rate of \$5.00. You purchase a ticket from one of two Pay Stations in the lot, using a Visa, Master Card or American Express credit card. **The Pay Stations do not take cash.** Just put the ticket face up on your vehicle's dashboard as valid proof of payment.

2. There is an underground parking lot in Calgary Place, on 4th Avenue S.W., just across from the Westin Hotel, between 2nd Street and 3rd Street. After 6:00 p.m. it is a flat rate of \$4.00. As you enter the lot, a machine will issue you a ticket. When leaving the lot, insert this ticket into the machine at the exit (stay in the left lane). The machine will tell you how much you owe, and you can pay using cash, or Visa, Master Card or American Express. To get back into the building to go to your car, use the intercom at the doors into the building at 330 5th Avenue S.W. (just across from the Club). Identify yourself as someone who has parked in the building and security will “buzz” you in. Once inside the building, use the door on the left (it looks like it's made from stainless steel), to get back down to the parking lot. There is security in this building 24/7.

3. There is an underground parking lot in Bow Valley Square, one block east of the Club, on 5th Avenue. The lot is on the south side of 5th Avenue, and the entrance is right under the +15 walkway that connects Bow Valley Square with its neighbour across 5th Avenue. The lot is open until 12:00 midnight, but is closed on Sundays. After 6:00 p.m. there is a flat rate of \$3.50. When you enter the lot, a machine will give you a ticket. You can only park on level P1. When leaving, you have to give the ticket to the Parkade Cashier (by the elevator), pay that person, who in turn will give you a ticket that you will insert in the machine at the exit station, on your way out of the lot. To get back into the building to go to your car, use the doors on 2nd Street. If those doors are locked, use the intercom and identify yourself as someone who has parked in the building and security will “buzz” you in.

Of course, after 6:00 p.m., any of the parking meters on 5th Avenue, 2nd Street, 3rd Street, etc., are free!

Lastly, the Club will continue to get the underground lot open next door at 333 Fifth Avenue S.W., for our own events (like Seafood Nights, Mother's Day, Stampede, Christmas, etc.).
