

Audio Visual & Equipment Rental

Equipment listed below is available for rental or if you require a more complex set-up, such as more than four microphones, an operating technician, video, or items not listed, we can refer you to our preferred partner, Inland Audio Visual. You are welcome to provide your own projector and we will provide cabling and a screen at no charge. Please note that we do not have A/V technicians on site, however our maintenance team can help get you started. Please let us know if you are using a Mac product at the time of booking, so appropriate connections are provided.
